Directions:

- Heartwarming Hugs Designer Series Paper – 3" x 7 ½"; scored at 1 ¼" & 2 ½" on SHORT side and ½" on the LONG side. Fold on the scored lines. Punch the open end with the 1 ½" Circle Punch. Trim out the small squares on the bottom so you are left with a short flap (for the bottom) and a long flap (for the side). Apply Tear & Tape Adhesive on the long flap and bring it around to the back side (adhere it on the outside instead of the inside). Adhere the bottom flap using Tear & Tape Adhesive.
- Real Red Cardstock – 1 ½" x 7 ¼"; adhere the Heartwarming Hugs Designer Series Paper pouch to the top. Insert a nail file.
- Whisper White Cardstock scrap – ¾" x 3", stamp the 'tied with love' in Real Red Ink and then banner cut the end using the Banners Pick A Punch. Trim to fit and then adhere to the pouch.
- Real Red Cardstock scrap – stamp the bow in Memento Ink and punch out using the Gift Bow Builder Punch. Adhere with Stampin' Dimensionals. Add a Wonderful Gem to the center of the bow.
