Directions

- *Half Composition Books*: purchased at a local Big Box Store.

- Penguin Playmates Designer Series Paper – 4 7/8" x 6 7/8" (one each for the front, back, and for the diagonal pockets).
- Adhere a piece to the front and back and then round the corners with Paper Snips.

- Cut one of the pieces in half from corner to corner. These will become your pockets.
- Cut two ¼" strips of Misty Moonlight Cardstock and adhere to the backside of the pieces.
- Adhere on two of the sides to create a pocket.
- Misty Moonlight Cardstock – 4 ¼" x 5 ½".
- Basic White Cardstock – 4" x 5 ¼", stamp the 'holly jolly' saying in Misty Moonlight Ink. Adhere the two pieces together to create a postcard; insert in the pocket.

- Misty Moonlight Cardstock – use the Tasteful Labels Dies and the Stampin' Cut & Emboss Machine to die-cut the shape for the front cover.
- Basic White Cardstock – stamp the 'winter' saying and then die-cut with the same dies.

- Adhere to the front cover.
- Add a Pastel Pearls and a length of Highland Heather ½" Grosgrain Ribbon around the front.
